Foreword.....	3
Aknowledgements	15
Members of <i>ad hoc</i> group (GTS)	16
European Committee (Partial Agreement) on Blood Transfusion (CD-P-TS)	23
Recommendation No. R (95) 15	40
APPENDIX TO RECOMMENDATION No. R (95) 15	43
Introduction	45
PRINCIPLES	47
Chapter 1. Principles of a quality system for blood establishments	49
Chapter 2. Principles of donor selection.....	85
Chapter 3. Principles of blood collection.....	103
Chapter 4. Principles of blood component preparation	113
Chapter 5. Principles of blood component monographs.....	141
Chapter 6. Principles of blood components for fetal, neonatal and infant use.....	143
Chapter 7. Principles of autologous predeposit transfusion.....	147
Chapter 8. Principles of blood group serology	151
Chapter 9. Principles of screening for markers of infection	161
Chapter 10. Principles of pre-transfusion and transfusion measures.....	167
Chapter 11. Principles of haemovigilance	175

STANDARDS	189
Chapter 1. Standards for a quality system for blood establishments.....	191
Chapter 2. Standards for selection of donors.....	199
Chapter 3. Standards for blood collection.....	213
Chapter 4. Standards for blood component preparation, storage and distribution.....	219
Chapter 5. Component monographs.....	225
Part A. Whole blood components	227
Part B. Red cell components.....	235
Part C. Platelet components	269
Part D. Plasma components.....	311
Part E. White cell components.....	329
Chapter 6. Standards for blood components for intrauterine, neonatal and infant use.....	335
Part A. Components for intrauterine transfusions.....	337
Part B. Components for neonatal exchange transfusion	343
Part C. Components (small volume) for neonatal and infant transfusion..	351
Chapter 7. Standards for autologous pre-deposit transfusion.....	355
Chapter 8. Standards for blood group serology.....	359
Chapter 9. Standards for screening for infectious markers.....	361
Chapter 10. Standards for transfusion.....	367
Chapter 11. Standards for haemovigilance.....	371
Annex.....	373
List of definitions.....	395
Abbreviations	403
Recommendations and resolutions of the Council of Europe in the field of blood transfusion	405
List of publications	407
