

## TABLE OF CONTENTS

### **Presentation of the EDQM**

Mr P. Castle, EDQM, Secretary to the European Pharmacopoeia Commission .....3

### **General introduction to the mycoplasmas with special reference to molecular genetics, phylogeny and taxonomy**

Prof. K.E. Johansson, Department of Bacteriology, National Veterinary Institute (SVA), Uppsala (Sweden) .....7

### **PCR for the detection of *Mycoplasma pneumoniae***

Prof. C. Bébéar, Laboratoire de Bactériologie, Université V. Segalen, Bordeaux (France) 21

### **Validating PCR against the current Ph. Eur. *Mycoplasma* test**

Mr M. Edgington, Microsafe B.V., Leiden (The Netherlands) .....27

### **Development, application and problematics of a general PCR method for detection of mycoplasmas in cell cultures**

Prof. J. Frey, Institute for Veterinary Bacteriology, Berne (Switzerland) .....33

### **PCR based on 16S rRNA sequences for detection of mycoplasmas**

Prof. K. E. Johansson, Department of Bacteriology, National Veterinary Institute (SVA), Uppsala (Sweden) .....45

### **The use of PCR as a detection/reading system and potential use of membrane laser scanning cytometry and fluorescence flow cytometry as detection/reading system**

M. M. Edgington, Microsafe B.V., Leiden (The Netherlands) .....57

### ***Mycoplasma* testing of serum and trypsin**

Dr A. Angulo, RIVM, Bilthoven (The Netherlands) .....61

### **Problems associated with PCR testing: PCR versus culture**

Dr K. Smith, Q-One Biotech Ltd, Glasgow (Great Britain) .....65

<b>The application of culture techniques for mycoplasma detection in biological products and cell cultures</b>	
Dr H. M. Windsor, Mycoplasma Experience Ltd, Reigate (Great Britain) . . . . .	71
<b>The PCR for veterinary mycoplasmas in the diagnostic laboratory</b>	
Dr R. A. J. Nicholas, Bacteriology Department, VLA, Addlestone (United Kingdom) . . .	79
<b>Transfer of experience with diagnostic techniques to vaccine quality control</b>	
Dr A. Angulo, National Institute of Public Health and environment, RIVM, Bilthoven (The Netherlands) . . . . .	85
<b>Harmonisation of mycoplasma testing: the work of VICH</b>	
Dr J. Derr, Pfizer Global Manufacturing, Lincoln (USA) . . . . .	89
<b>Round table discussion: Future developments – prospective regarding PCR test . . .</b>	95
<b>Biographical notes . . . . .</b>	99
<b>Reference documents . . . . .</b>	101
<b>List of participants . . . . .</b>	111
