

<b>General Information</b>	493	Calcitriol	610
CD-ROM 1999	493	Carbamazepine	647
Conditions of sale of CRS	494	Cell substrates for the production of vaccines for human use (5.2.3)	629
Prepublication brochure - order form	496	Cholecalciferol	614
Press releases:		Cholecalciferol concentrate (oily form)	622
— European co-ordination of the monitoring of the quality of medicinal products authorised by the community	497	Cholecalciferol concentrate (powder form)	617
— Annual meeting of the European network of official medicines control laboratory (OMCL)	498	Cholecalciferol concentrate (water-dispersible form)	619
— Seville conference: a decisive step in the international harmonisation process	499	Conjugated estrogens	649
<b>Scientific Notes</b>	502	Determination of water content in biologicals by coulometry	659
The development of a liquid chromatographic method to limit related substances in Mefenamic acid and a survey of the purity of samples of diverse origin	502	Dextran 1 for injection	672
Liquid chromatographic method for the assay of Benzathine benzylpenicillin and the determination of impurities	510	Dextrin	671
<b>International Conference</b>	519	Ergocalciferol	612
<b>Biologicals beyond 2000: challenges for quality standards in an evolving field</b>		Etofenamate	643
Strasbourg, France, 27-28 September 1999	519	Etomidate	596
<b>&amp; Satellite symposium on veterinary biologicals</b>		Ferric chloride hexahydrate	599
Strasbourg, 29 September 1999	519	Flumetasone pivalate	625
<b>Readers' Tribune</b>	524	Flurbiprofen	594
Capillary electrophoresis in the pharmaceutical industry		Gelatin	685
<b>Certification of Conformity of the Monographs of the Ph. Eur.</b>	527	Goserelin	689
Certificates issued by the EDQM	527	Hepatitis A (inactivated and Hepatitis B (rDNA) Vaccine (adsorbed)	633
<b>Contents of USP and JP Forums</b>	539	Hepatitis B vaccine (rDNA)	635
<b>Official Announcement - Rapid Implementation</b>	543	Iopamidol	627
Corrigenda to the 2nd Edition - "Standard Terms"	543	Liquid chromatographic determination of actinic acid in synthetic peptides	658
Products of fermentation	547	Maltitol	675
Human plasma for fractionation	549	Maltitol, liquid	673
Monographs on amino acids	551	Manganese sulphate monohydrate	605
- Alanine	576	Mannitol	679
- Aspartic acid	579	Mefloquine hydrochloride	585
- Arginine	566	Mesna	588
- Arginine hydrochloride	565	Methylthionium chloride for external and oral use	606
- Cysteine hydrochloride monohydrate	554	Nimesulide	608
- Cystine	564	Nitric acid	598
- Glutamic acid	578	Nomegestrol acetate	591
- Histidine	562	Paracetamol	669
- Histidine hydrochloride monohydrate	561	Pethidine hydrochloride	641
- Isolucine	575	Potassium carbonate	599
- Leucine	573	Premixes for medicated feeding stuffs for veterinary use	656
- Lysine hydrochloride	559	Raman spectroscopy	656
- Methionine	558	Silica, dental type	589
- Phenylalanine	572	Sorbitol	683
- Proline	571	Sorbitol, liquid (crystallising)	680
- Serine	569	Sorbitol, liquid (non crystallising)	682
- Threonine	557	Sugar spheres	688
- Tryptophan	551	Sulfanilamide	601
- Tyrosine	555	Sulphuric acid	600
- Valine	568	Sumatriptan succinate	602
Lactitol monohydrate	581	Tiapride hydrochloride	639
Sodium valproate	583	Tramazoline hydrochloride monohydrate	638
<b>Draft monographs for comment</b>	585	Vitamin A	660
Bismuth subnitrate heavy	592	Vitamin A concentrate, synthetic (oily form)	663
Bismuth subsilicylate	593	Vitamin A concentrate, synthetic (powder form)	667
		Vitamin A concentrate, synthetic (solubilisate/microemulsion)	665
		White soft paraffin	654
		Xylitol	676
		Yellow soft paraffin	653
		<b>Enquiry</b>	
		<b>Monographs on biologicals:</b>	692
		Replacement of the test for pyrogens by the test for bacterial endotoxins in biologicals	692
		<b>National Pharmacopoeia Authorities</b>
