

# LIST OF TEXTS ADOPTED AT THE MARCH 2009 SESSION OF THE EUROPEAN PHARMACOPOEIA COMMISSION

*Unless otherwise indicated, these texts will be published in Supplement 6.7 of the European Pharmacopoeia. Individual copies of texts will not be supplied.*

## NEW TEXTS

### GENERAL CHAPTERS

- 2.6.30. Monocyte-activation test  
2.6.31. Microbiological examination of herbal medicinal products for oral use  
2.8.23. Microscopic examination of herbal drugs  
5.1.8. Microbiological quality of herbal medicinal products for oral use

### MONOGRAPHS

#### Monographs

- Carmellose (2360)  
Enrofloxacin for veterinary use (2229)  
Ephedra herb (2451)  
Fourstamen stephania root (2478)  
Irbesartan (2465)  
Macrogol poly(vinyl alcohol) grafted copolymer (2523)

## REVISED TEXTS

### GENERAL CHAPTERS

1. General notices  
2.4.14. Sulphated ash  
2.6.12. Microbiological examination of non-sterile products: microbial enumeration tests  
2.6.13. Microbiological examination of non-sterile products: test for specified micro-organisms  
2.9.17. Test for extractable volume of parenteral preparations  
5.1.4. Microbiological quality of non-sterile pharmaceutical preparations and substances for pharmaceutical use  
5.8. Pharmacopoeial harmonisation

### MONOGRAPHS

#### Dosage forms

- Glossary (1502)  
Semi-solid preparations for cutaneous application (0132)

#### Vaccines for human use

- Measles, mumps and rubella vaccine (live) (1057)  
Poliomyelitis vaccine (inactivated) (0214)  
Rubella vaccine (live) (0162)  
Varicella vaccine (live) (0648)

#### Homoeopathic preparations

- Homoeopathic preparations (1038)

### Monographs

- Alprenolol hydrochloride (0876)  
Amiloride hydrochloride (0651)  
Amlodipine besilate (1491)  
Azaperone for veterinary use (1708)  
Belladonna leaf (0221)  
Butcher's broom (1847)  
Carbamazepine (0543)  
Carbasalate calcium (1185)  
Desoxycortone acetate (0322)  
Dexamethasone (0388)  
Dexamethasone acetate (0548)  
Dihydrostreptomycin sulphate for veterinary use (0485)  
Ethinylestradiol (0140)  
Gemfibrozil (1694)  
Metoclopramide (1348)  
Misoprostol (1731)  
Mullein flower (1853)  
Nitrazepam (0415)  
Stramonium leaf (0246)  
Tetracosactide (0644)  
Ursodeoxycholic acid (1275)

## HARMONISED TEXTS

### GENERAL CHAPTERS

- 2.4.14. Sulphated ash  
2.6.12. Microbiological examination of non-sterile products: microbial enumeration tests  
2.6.13. Microbiological examination of non-sterile products: test for specified micro-organisms

- 2.9.17. Test for extractable volume of parenteral preparations

- 5.1.4. Microbiological quality of non-sterile pharmaceutical preparations and substances for pharmaceutical use
