

PHARMEUROPA 13.4

CONTENTS OCTOBER 2001

Publication of the 4th Edition	621
Publication of the Supplement 4.1	623
International Conferences	624
New Developments of the Procedure of Certification of Suitability of Monographs of the European Pharmacopoeia	
8-9 November 2001, Athens (Vouliagmeni), Greece	625
Quality Control of Equine Influenza Vaccines	
10-11 December 2001, Budapest, Hungary	630
Excipients: Classical Quality Requirements and Functionality-Related Test	
4-5 April 2002, Brussels, Belgium	635
General Information	638
CD-ROM of the 4 th Edition of the European Pharmacopoeia	638
CRS: Conditions of sale	639
List of the CRS adopted at the June 2001 Session	640
List of the texts adopted at the June 2001 Session	642
List of the texts published in the Supplement 4.1	644
Revised/corrected texts published in the Supplement 4.1	646
Pharmeuropa — Special Editions	650
Certification of suitability of the monographs of the Ph. Eur.	652
List of Certificates delivered by EDQM:	
•Chemical purity and microbiological quality	652
•TSE risk products	681

Scientific Notes	689
Possibilities of Infrared Absorption Spectrophotometry Using Nujol Mull Method for Identification of Cefazolin Sodium	689
Evaluation of Liquid Chromatographic Methods For Analysis of Bacitracin	692
Identification of Fumaric, Maleic and Malic acid	697
Collaborative Studies for the Establishment of Reference Substances for the Microbiological Assay of Antibiotics	703
Determination of the Substitution of Hydroxypropylbetadex using Fourier Transform Infrared Spectrophotometry	714
Draft monographs for comment	717
Acebutolol hydrochloride	728
Almagate	761
Assay of human anti-D immunoglobulin (2.7.13)	772
Azithromycin	750
Ciprofloxacin	740
Ciprofloxacin hydrochloride	731
Clarithromycin	752
Cloud point (2.2.50)	770
Dipotassium clorazepate	732
Dosulepin hydrochloride	744
Ebastine	762
Etacrynic acid	724
Fibrin sealant kit	734
Gramicidin	736
Human anti-D immunoglobulin	727
Human anti-D immunoglobulin for intravenous administration	748
Ipratropium bromide	738

(S)-Ketamine hydrochloride	756
Ketobemidone hydrochloride	758
Macrogols	746
Minocycline hydrochloride	740
Morantel hydrogenotartrate for veterinary use	749
Nystatin	725
Paroxetine hydrochloride hemihydrate	764
Size exclusion chromatography (2.2.30)	768
Sorbitol, anhydriised liquid	766
Spectinomycin hydrochloride	742
Streptokinase bulk solution	722
Spirapril hydrochloride	759
Sulfamethoxazole	717
Sutures, sterile non-absorbable	719
Tylosin phosphate concentrated solution for veterinary use	755
International Harmonisation	775
Microbial contamination limits for non-sterile products	781
Macrogols	778
Sucrose	775
Contents of the USP Forums (Vol. 27, Nos. 4 and 5)	83
Contents of the JP Forum (Vol. 10.3)	787
