### TAXES AND DUTIES

The sale prices for publications are exclusive of duties and taxes and are given in Euros. In the European Union, there is no VAT identification number for organisations with diplomatic status. The Council of Europe (EDQM) therefore has no VAT identification number and is not subject to duties and taxes.

It is the responsibility of the buyer (or the recipient of the delivery if different from the buyer) to contact the national fiscal or customs authorities to pay the duties and taxes. In no event shall the said duties and taxes be paid by the Council of Europe (EDQM) or should be deducted from the amount paid.

### REMINDERS

If the invoice remains unpaid, you will receive a reminder – sent to your Accounts Payable Department. If there is no response to this reminder, your account will be blocked for the purchase of all further EDQM products until the unpaid invoice is settled.
