Science-based standards for quality medicines

Access the European Pharmacopoeia quality standards

Legally binding in 39 European countries

As of the 12th Edition, the texts of the European Pharmacopoeia (Ph.Eur.) will be delivered exclusively on a new, user-centric platform offering advanced navigation features, with a straightforward 365-day licence and a simplified publication cycle.

New 365-day licence

The 12th Edition comprises Issues 12.1, 12.2 and 12.3, published over a 12-month period, available at <u>https://go.edqm.eu/PhEurOnline</u>.

Renew your licence now and benefit from these additional features:

- fully bilingual (English and French) content;
- new text status traffic light system (in force, not yet in force and no longer in force);
- > access to all texts in force or published since the 11th Edition, now in one convenient location;
- improved search and filter functions;
- in-text menu to view different versions of each monograph;
- direct links to versions undergoing public consultation in Pharmeuropa;
- access to the Ph. Eur. archives and complementary information in the Knowledge database.

Join the community

Join the Ph. Eur. family and share your expertise to help establish quality standards for medicines: together, we can achieve our vision of better health for all: <u>https://go.edqm.eu/JoinTheNetwork</u>.
