

LIST OF RESELLERS KNOWN TO EDQM – Edition 5

For the convenience of customers outside the European Union, the EDQM is able to provide a list of organisations or companies known to resell EDQM products. Customers are free to buy via one of these resellers or with the EDQM directly, although in certain regions/countries you may find easier for customs purposes to deal with a reseller, especially for small value orders. The EDQM products distributed by the resellers as well as the list of the countries they export to are listed below their address.
