1. **GENERAL PROVISIONS**

These terms of supply apply only to the events organised by the European Directorate for the Quality of Medicines & HealthCare (EDQM), Council of Europe, Strasbourg, France, herein referred to as the EDQM. These terms supersede those previously published and are valid up to and including 31 December 2015.

Herein, the ‘registrant’ means the person, company or organisation signing the registration form and attending the event. By registering for an event, the registrant agrees to be bound by, and accepts fully and without reservation, these terms and conditions, which alone apply to the finalised contract.

The data recorded by the EDQM constitutes proof of all contractual and financial transactions between the EDQM and its registrants.

2. **REGISTRATION**

a. **Registration Forms**

The information contained herein applies to registration forms received by post, fax, or e-mail via the EDQM HelpDesk and to those submitted via the EDQM Online Events Registration system. To register for an event, one registration form must be completed per person.

In submitting the registration form, the registrant certifies that the information provided is true and accurate. Persons signing the registration form shall be deemed to have authority to do so from the person, company or organisation on whose behalf they are acting or purporting to act. Once the registrant submits the registration form, he/she agrees to pay the registration fee. In addition, the registrant agrees to inform the EDQM immediately of any changes that take place after submission of the form.

All the information requested is necessary and used for the organisation of the event. If the registrant is subject to Value Added Tax (VAT) in the European Union, he/she agrees to fill in the field corresponding to Community VAT number. The EDQM does not process registration forms within which the registrant’s details or the invoicing details contain a P.O. Box address. The EDQM is under no circumstances obliged to process or accept a registration form. The EDQM does not process incomplete registration forms, i.e. where all fields on the form have not been correctly completed.

b. **Registration Confirmation**

The EDQM provides the enrolled registrant with written acknowledgement of receipt of the registration form and with written confirmation that he/she has been registered for the event. If the registrant does not receive an acknowledgement of receipt within 7 working days after sending the form, he/she agrees to contact the EDQM. The registrant should wait for confirmation that he/she has been registered for the event before committing to travel and/or accommodation arrangements. The EDQM provides the registrant with further information about the event by post and/or e-mail.

The EDQM reserves the right not to enroll the registrant for the event, for example, this may happen in the case of unpaid invoices for EDQM products and/or services.

c. **Availability/Waiting lists**

Registration is on a first come, first served basis. Places are limited. If there is no availability, the registrant will be advised within 7 working days of receipt of the registration form and he/she will be put on a waiting list.

3. **REGISTRATION FEES**

a. **Registration Fees**

Fees vary for each event and according to the registration method used (i.e. paper format or the EDQM Online Events Registration system) and the statute of the registrant. The EDQM publishes the

The registration fee includes the following:

- attendance at reception(s) of the event that are mentioned in the programme.

The registration fee does NOT include the following:

- Overnight accommodation – the EDQM block books rooms at reduced rates in a number of hotels near the venue. It is the responsibility of the registrant to make the booking directly with his/her chosen hotel using the relevant hotel reservation form available from the EDQM’s website. The EDQM does not guarantee reduced rates as they depend on availability. Therefore, the EDQM advises the registrant to book early;
- Travel – it is the registrant’s responsibility to make his/her own way to the event’s venue in adequate time;
- Visa – it is the registrant’s responsibility to investigate visa requirements and to apply for a visa, if necessary. The EDQM provides upon request an official letter of invitation to facilitate the registrant’s visa request;
- Insurance of any kind – the registrant is encouraged to arrange his/her own insurance to cover loss caused by unforeseen delay, circumstance or cancellation.

b. Venue & Time Changes

It may be necessary for reasons beyond the control of the EDQM to alter the venue or time of the event. The EDQM endeavours to keep the registrant abreast of such changes, however, changes do not constitute a reason to refund the registration fee.

If the event is postponed, the EDQM will endeavour to reschedule it. In the unlikely circumstance of event cancellation, for whatever reason, neither the EDQM, nor the Council of Europe, accepts responsibility for any consequential losses (e.g. travel and accommodation costs) incurred by registrants.
